

Who We Are

We at Janelle Hallman & Associates love working with people!

We see echoes of God in every individual life and therefore approach each new client with reverence and respect. We seek to be gracious, gentle, honoring and sensitive, recognizing that a person's present journey is an essential and important part of their unfolding life story. We are passionate about showing every human being the unconditional acceptance and kindness they deserve as a unique and special person created in the image of God. We long to provide a safe and compassion-filled relationship that will release gifts of healing, authenticity, and creativity. Janelle has gathered other seasoned Christian counselors and student interns who have broad clinical expertise and depth of compassion.
